

ELBA 45 QUATUOR

New Sailing Catamaran

SHORT DESCRIPTION

Brand new Fountaine Pajot Elba 45 Quatuor catamaran, delivered in 2026 and located in France. This modern sailing catamaran offers an exceptional combination of comfort, performance and space, making it ideal for private ownership, family cruising or charter operations.

Designed for Mediterranean cruising, the yacht features a spacious layout, excellent stability and efficient sailing performance, ensuring a smooth and enjoyable experience on the water.

FULL DESCRIPTION

The Elba 45 Quatuor is a brand new sailing catamaran built by Fountaine Pajot, one of the world's leading shipyards in the catamaran segment. Delivered in 2026 and presented in new condition, this yacht has never been used and is available directly from the shipyard.

With a length of 13.45 meters and a beam of 7.55 meters, the yacht offers impressive interior volume and outstanding onboard comfort. The Quatuor layout provides four spacious guest cabins with private bathrooms, allowing accommodation for up to eight guests.

The bright panoramic saloon creates an open living space with a fully equipped galley and dining area. Large windows provide excellent natural light and uninterrupted sea views, enhancing the onboard experience.

Exterior areas include a spacious cockpit, flybridge lounge and comfortable sunbathing zones, offering multiple areas for relaxation and entertainment.

Powered by twin Volvo Penta engines, the yacht delivers reliable performance, excellent maneuverability and fuel efficiency.

This catamaran is an ideal choice for both private owners and investors seeking a high-demand charter yacht in the Mediterranean market.
